

Nolan Kondrich – 2011 JCS graduate

Nolan Kondrich graduated from Jubilee Christian School in 2011. A junior at Upper St. Clair High School, he is involved in many extracurricular activities including men's varsity volleyball and cross country. Nolan was a starter on the volleyball team as a freshman, and also received the Freshman of the Year Award. He was also selected by his peers as a Natural Helper – a “go-to” student who helps support other students with questions and problems.

Nolan works with his sister at the South Hills Miracle League Field, an organization that allows children with special needs, like his sister, to play baseball weekly. At USC High School, he's involved with the Friends Club, a group which meets weekly for activities with special needs students. He is also actively involved in his church and with community service work. Looking ahead to his future, Nolan is considering a career in elementary education or special needs therapy.

For Nolan, parental involvement in school was one of the things he appreciated most about Jubilee. “My favorite memory was the Gettysburg trip in sixth grade,” he says, “and the best part was that my dad was the tour guide, which made it even more exciting and interesting!”
