

Sean Maxwell -- 2015 Jubilee Christian School Alumni

Sean was a student at Jubilee from 1st through 8th grades, and is now a Sophomore at Seton La-Salle Catholic High School. He received Seton-La Salle's J.L. Merrick Scholarship, a four-year scholarship awarded to two entering freshmen for their academic achievement.

An active student at Seton, Sean plays keyboard and bells in the marching and concert bands, which will be performing at Disney World in the spring. He also plays piano in the school's jazz band. Athletics also are a big part of his life as he runs varsity cross country, plays setter for the volleyball team, and manages the boys' basketball team this year.

"What I remember most about Jubilee is the closeness with my friends and teachers. Jubilee was very much like an extended family," explains Sean. Sean's dad, Chip, led Jubilee's all-school chapel services for several years and provided before-school student supervision. His mom, Pat, was active on various volunteer teams behind the scenes. According to Sean, "Everyone knew all the teachers and a good amount of the students well, which made learning much easier overall. The teachers were excellent. I have had plenty of impressive teachers in my two years at Seton, but none of them have quite reached the level of Miss Booher."

One of Sean's best memories of Jubilee was in 1st grade when the class completed a unit on the Presidents of the United States. "The presidential unit sparked my interest in history and gave me extra motivation to work hard in the quest for knowledge."
