

Tuition Assistance Information

Dear Jubilee Families,

Jubilee is committed to assisting families with opportunities to reduce their tuition.

Scrip is available for all families and tuition coupons for 90% of the Scrip credit are issued to the participating family. There is no “cap” to the coupon amount and many families greatly reduce their tuition through this program. If you don’t want your coupon, you can specifically designate it to help another family (of your choice) or donate it to the general tuition assistance fund to help those most in need.

The Children’s Tuition Fund is a PA tax credit program administered by ACSI on our behalf, but this does NOT mean that they find the money and give it to us. The designated donations come from companies that WE solicit to participate in the program, and who name Jubilee as the designated beneficiary of their EITC funds. If you know a business owner who would be interested in how they can help the Jubilee Tuition Assistance Fund AND receive a tax credit for up to 90% of their participation, please send an email to ktengleka@verizon.net with the contact name, phone number, and your connection to this contact.

Donations have been made by individuals to supplement our tuition assistance funds throughout the years. If you know someone who has a heart for Christian Education and would like to make a tax-deductible donation to the tuition assistance fund, they can do this at any time, not just in conjunction with our fundraisers.

The Jubilee Tuition Assistance Fund will be used to grant tuition assistance for the 2017-2018 school year. Financial assistance grant amounts given to our families are awarded using the following criteria: number of applicants and amount of tuition assistance funds available. Income eligibility and awards from the previous year are subject to change due to an increase/ decrease in the need for financial assistance and an increase/decrease in available funds.

To qualify for the Jubilee Tuition Assistance Fund, you must meet the following requirements:

1. Enrolled in Jubilee at the time of application.
2. Must meet the financial guidelines.
3. Family must be current with all fees and tuition and have no outstanding balance at the end of the school year.
4. Child must have good attendance.
5. Parent must sign and fulfill the JCS parent covenant; including volunteer hours and participation in fundraising activities.
6. The student is a resident of the Commonwealth of Pennsylvania.

To obtain an application for the 2017-2018 school year, please log on to our internal parent website. Under the forms tab, you can print an application. Applications must be completed and returned to the office to the attention of the Tuition Assistance Team, by Friday, April 28, 2017. **Be sure to supply all information and attach your final 2016 income tax return when applying for the 2017-2018 school year.** Distribution of funds will be determined and families will be notified by May 26th.

Thank you,

The Tuition Assistance Team
