

Lisa A. Wahl

My name is Lisa Wahl and I am the mother of a kindergarten student here at Jubilee. Hannah, her father and I reside in the Sunset Hills section of Mount Lebanon and are active members of Beverly Heights Presbyterian Church. My interest and passion for Christian education and integrated curriculum began and deepened while Hannah attended Beverly Height's Preschool program. I have seen first-hand the benefits of a Christ centered education. Both my husband and I are thrilled to have had the opportunity for our child to continue her early education in the spiritually and academically rich environment found at Jubilee Christian School.

Thus far, I have enjoyed the various volunteer opportunities at Jubilee and I hope to continue investing my time and talents in serving the Lord and the school. Prior to the birth of my daughter, I used my degree in Psychology as well as a Masters in Social Work at UPMC Shadyside and Western Psychiatric Institute and clinic. I bring to the board considerable experience working with people and problem solving complex situations. I have had opportunity to work both individually and as part of a team.
