

SASHA SCHIAVONE BIO

My name is Sasha Schiavone, and I am the JCS Board of Trustees Secretary. My daughter started out in kindergarten last year at Jubilee, and our family all had such a wonderful experience with the school! I grew up in the Pittsburgh area and attended college at Duquesne University for my Bachelor of Science degree in nursing. I love being a registered nurse and currently work as a nurse health coach. My husband is also from the area, and we live with our daughter and pet bunny a little over a mile from the school. We love that Jubilee provides an excellent education while instilling a strong value system and celebration of faith!
