

# Here's What's Happening at JUBILEE

## EXCITING NEWS!

Jubilee has a BRAND NEW special starting this FRIDAY!! We are SO excited to announce that our awesome Music Teacher, Mrs. Laura Mason will be at school on Fridays, too teaching PERFORMANCE ARTS!

In the Performing Arts class, the students will be studying the following elements of Theater, Dance, and Music:

- Roles in a production (Actors, Directors, Stage Manager, Crew, Set, Costume, Props, Musicians)
- Portraying a character and Conveying emotions
- Parts of the stage and Blocking
- Basic musical theater dance steps
- Singing on stage - Vocal technique and Ensemble development
- Confidence and Managing stage fright

This will all culminate in the preparation and performance of a musical for our FINE ARTS FESTIVAL.

On our first day back in the new year, we were excited to have FIREFIGHTER CHRIS from the Mount Lebanon Fire Department come and visit each classroom for our annual FIRE SAFETY program. Be sure to ask your children what they learned!!

The Students got involved in Mrs. Icsman's Chapel Lesson about the WISE MEN..The students learned Lots about the meaning of their visit to Jesus, and the symbolism of the gifts.

# ART UPDATE

Last month, all of the art classes focused on Christmas and winter. Kindergarten and first grade did some stamping, snowflake making and coloring. They talked about how God keeps us warm in the cold winter months. Second and third grades made recycled newspaper wreaths and talked about how wreaths symbolize eternal life and Jesus's sacrifice. Fourth through sixth grades created Christmas trees out of clay coils and recited Isaiah 9:6 together each week.
