

Lynn Hawkins

My name is Lynn Hawkins . I graduated Carlow University in 2002 with a degree in elementary education along with a degree in special education . I worked at the day school at the Children's Institute for 5 years, working with children with severe autism. In 2008, I met my husband and his daughter Bella . In 2009, we were married and in 2010 I had our first biological child, Asa. It was then that I decided to become a stay-at-home mom. In 2012, John and I decided to start our journey in foster care, and in November 2013 we were blessed with the adoption of our son Brandon. John and I also have 2 nieces that live with us: Summer, age 14, and Autumn, age 15. Although some people may think our house is a little crazy, we wouldn't have it any other way!

My relationship with The Lord started at a very young age. I grew up Catholic, but when I met my husband he was new in his relationship with Jesus Christ, so I decided I would move churches and start going to his church. My family and I currently attend Glenn Street Free Methodist in Washington, PA. I am involved with church ministries mainly during VBS and also for youth trips with my nieces.

Although this is only our second year here, I cannot say enough about how amazing this school is! I am very excited to have this opportunity to be considered to be a part of the school board because I am absolutely in love with Jubilee!
