

Brenda Tenison Bio

It is my pleasure to join the Board of Directors for Jubilee Christian School. I have worked with other nonprofit entities to advance donor relations and development, marketing, communications, and social media so I am excited to see what God has in store for all of us during this journey together to advance His kingdom for all who come in contact with Jubilee Christian School.

I am happily married to my husband, Dave, for the past 17 years and live in Peters Twp. I have two step daughters, 28 and 25 and two dogs that are boxers. I have an Industrial Engineering degree from Western Michigan University and have worked professionally in various roles during my 25-year career. My purpose is to glorify God as my Father and Creator through all that I do and to be light in the darkness.
