AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice. Every item available for purchase on amazon.com is also available on AmazonSmile ([smile.amazon.com](http://smile.amazon.com)) at the same price. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages.

### Can I use my existing Amazon.com account on AmazonSmile?

**Yes**, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.

### How do I select a charitable organization to support when shopping on AmazonSmile?

On your first visit to AmazonSmile ([smile.amazon.com](http://smile.amazon.com)), you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. We will remember your selection, and then every eligible purchase you make at [smile.amazon.com](http://smile.amazon.com) will result in a donation.

Your purchases will be automatically added to your school's total (a total of \$250 spent is required for each student attending the assembly). **Register your Perks card at <https://www.shopnsavefood.com/perks-card/perks-card-registration> and choose Jubilee Christian School (school code 5).**

**Send in your empty ink cartridges to Jubilee to be recycled and help Jubilee earn rewards!**
