### **Welcome to Jubilee Christian School**

Since 1987, families have benefited from Jubilee’s distinct approach to education and the school’s intentional focus on integrating God’s truths in the classroom. This handbook is a resource and guide for common matters that will arise throughout the school year. We encourage you to read the handbook and address any comments or questions you might have with our principal, Mrs. Kara Bell. Your prayers and support are welcomed as we begin another great year. We look to partnering with you, the primary educators of your children, in educating the minds and shepherding the hearts of your most precious possession, your child(ren).

Thank you for all that you do to make Jubilee a vibrant place of education where we, **Imagine, Believe and Achieve.**

Peace and blessings,  
The Faculty and Staff of Jubilee Christian School

## **Mission Statement**

Jubilee Christian School provides students with an exemplary education and values rooted in the gospel of Jesus Christ.

## **Vision Statement**

We see the parents, teachers and our Board working together to train up children that they might continue to grow according to God's will in the knowledge of His world. Therefore, we see...

### **The children of Jubilee Christian School....**

- As image bearers of God, taking up their rightful place as responsible learners with the goal of bringing every thought captive to Jesus Christ.
- Filled with joy, wonder and enthusiasm in learning truths about the world which God has made, over which He rules in sovereign grace and in which He acts in redeeming love.
- Engaged in interpersonal relationships displaying the loving kindness of God, enabled by the Holy Spirit.
- As skilled and active learners capable of critical, analytical, and independent thought.
- Endowed with a great beginning which serves as the foundation of a life-long pursuit of study and learning.

### **The parents of Jubilee Christian School....**

- Committed to and engaged in their God-given role of those who are responsible for their children's education.
- Wholly committed to the unique educational approach of the integrated curriculum, confident in its effectiveness, and supportive of the teachers.
- Providing familial nurture and care which serves as the prerequisite for all learning both inside and outside the home.
- Participating in their child's educational experience through personal encouragement, tutelage at home, and service in the classroom and the larger school community.

### **The teachers of Jubilee Christian School.....**

- Revealing a clear commitment to Jesus Christ as Lord of life and a complete dependence upon the Holy Spirit as the Enabler of all things.
- Demonstrating a servant's heart and a call to teaching which views the

vocation in terms as a calling to ministry.

- Working competently to fulfill the tasks associated with their calling.
- Enabling children to achieve their God-given potential.

### **The Board and staff of Jubilee Christian School....**

- Revealing a clear commitment to Jesus Christ as Lord of life and complete dependence upon the Holy Spirit as enabler of all things.
- Providing clear, consistent and relentless articulation of the school's mission and the realization of its vision.
- Providing encouragement and administrative support for the daily operations of all aspects of the school.
- Providing competent leadership which will inspire and foster the school's future growth and development

### **History**

Jubilee Christian School was established by a group of concerned parents, teachers and other interested parties from various church denominations who were committed to providing a unique style of Christian education for children in the South Hills of Pittsburgh. The Jubilee Christian School Association was formed in the spring of 1987 with an invitation to all who could affirm the educational guidelines of the association. The Jubilee Christian School Constitution and By-Laws were drawn up and a Board of Trustees was elected to develop and implement the program for the school.

### **Philosophy of Education**

Jubilee Christian School's goal is to help children develop academically, emotionally, physically, socially, and spiritually. Because these separate components are connected by the spiritual, we incorporate the Bible throughout our curriculum. Jubilee Christian School employs the integrated curriculum, a unique style of education that encourages children to think creatively about all aspects of a subject. All disciplines are taught together during each monthly subject, or unit. Each unit is rooted in the daily hands-on experience of children, allowing the teacher to individualize the learning experience by correlating individual skills and abilities with the unit. Our

integrated curriculum is organized around the truth that all parts of God's creation are interconnected rather than fragmented. Jubilee Christian School believes that the ultimate responsibility for the education of children lies with the parents (Deut. 6:7-8). Learning does not begin or end at school—it is a lifetime process. Jubilee Christian School provides children with a foundation of confidence and assurance from which new efforts and inquiries into creation and its Creator can be launched throughout life. Jubilee Christian School teachers carefully nurture each child's feelings of competence and self-worth as members of God's family, serve as role models in their Christian walk, and continually mature in both their professional life and Christian faith.

### **Jubilee Christian School Association**

The JCS Parent Association works in conjunction with paid staff to operate JCS. All parents and other individuals who contribute towards the tuition of enrolled students, are automatically part of the Parent Association including teachers with children enrolled as students at JCS. Association members elect a Board of Trustees that is responsible for leadership and decision-making. Association members provide support through enhancement activities as well as daily essential operational tasks, strategic/long-term level tasks. A few examples of this support include fundraising, coordinating social events, lunch monitors, and staff appreciation. Opportunities to serve in these ways are made known throughout the association meetings, weekly updates (Thursday take-home folders and “What’s New” Gradelink emails), and requests from staff and administration. Members of the Parent Association are given the privilege to volunteer in many different areas catered to their schedules and skills, such as technology, marketing, and personnel. **Each association family is expected to contribute a minimum of four hours of service every month.**

# Academics

## Academic Progress Communication

Along with quarterly report cards, teachers will communicate academic progress by sending home graded assignments (weekly) and through parent-teacher conferences. Please see the school calendar for the scheduled parent-teacher conference dates. Should you need to discuss your child's academics, please email your child's teacher. Parents are expected to keep track of their child's academic progress via *Gradelink*, Jubilee's enhanced student information system. *Please be aware that report cards are not released to families when there is an outstanding tuition balance.*

## Book Selection Policy

Books are prohibited from in-class reading if they meet the following criteria:

- Invoke or instruct in the occult or in pagan or false religions.
- Encourage romantic or sexual curiosity.
- Offer historical inaccuracies as truth.
- Focus on issues from an unbiblical perspective.

## Communication Between Parents and Teachers

- Each teacher has a personal webpage (accessed via the school's website) that provides a wealth of information about what is going on in the classroom – including weekly communications and monthly unit letters.
- Parents are encouraged to communicate with their child's teachers through email, or by setting up an appointment to meet with the teacher. If your communication is time sensitive, please contact the school office. Classroom teachers are busy with their students throughout the day, as well as planning and preparing for future instruction, and are unable to respond to emails immediately.
- **Please allow a maximum of 24 hours (during the school week) for a teacher or staff member to respond to your email.** Faculty and staff are not required to respond to parent emails during the weekend, as this time is set aside for them to spend with their family and rest. If a teacher or staff member has provided you with their cell phone number for emergencies or field trips,

please show them respect by not contacting them after 7:00 p.m. or before 7:00 a.m.

- We strongly discourage “walk-up” conferences at dismissal, during the school day, and/or at school functions. When teachers are not supervising students, they are preparing for future lessons. Respecting their professional time allows them to leave school in a timely manner to spend with their families. As previously noted, should you need to speak with the classroom teacher, please make an appointment.
- When parents have questions or concerns about classroom matters, **they must contact the classroom teacher first**. Parents are discouraged from sharing their grievances with other staff members, including the Principal, prior to communicating with their child’s teacher. If a resolution to the matter cannot be made between the parent and the classroom teacher, a meeting with the Principal will be scheduled.

## Communication Flow Chart

- **All Classroom Matters** (Academic, Behavior, Field Trips, etc.) → Teacher(s) → Principal
- **Curriculum Questions/Concerns** → Teacher(s) → Principal
- **Attendance, Early Dismissals, Change in Pickup** → Office Administrator, Teacher(s), and Bus Company (if applicable)
- **Volunteering** → Office Administrator
- **Before/After School Care** → Before/After School Staff
- **Tuition** → Business Manager
- **Admissions** → Office Administrator → Principal
- **EITC/OSTC (tax credits)** → Principal
- **School Policies & Procedures** → Office Administrator → Principal → School Board

Thank you for your cooperation with this flow of communication! Our goal is to ensure that you have the most accurate information in a timely manner.

**E = Exceeds**

The student exceeds knowledge of concept

**M = Meets Expectations**

The student consistently demonstrates understanding of application of a concept or skill

**AP =Approaching**

The student is working toward competency in the concept or skill. Further practice and use of this skill or concept are needed.

**NY = Not Yet**

The student does not yet demonstrate an understanding of the concept or skill

**CM = Curriculum Modifications**

**NA = Not Applicable**

## Field Experiences

Jubilee Christian School is committed to enhancing and enriching classroom learning with frequent and varied field experiences. Field experiences are selected for educational and/or recreational value.

- Field trip attendance is required; they are an integral part of the curriculum.
- For safety, teachers will require students to wear JCS t-shirts on all trips.
- Chaperones must have their clearances, driver's license, vehicle insurance and vehicle registration on file in the JCS office.
- All drivers must have a valid PA license and insurance.

## Gradelink

Logging into Gradelink gives parents and students the ability to view grades, attendance records, and has many other helpful features. Login information is provided for parents before the first day of school and continued support will be available throughout the school year. A link to Gradelink is available on the home page of the JCS website.

## Homework

At all times, teachers at Jubilee Christian School seek to create an environment for their students to make personal connections with what they are learning. Homework serves two purposes – it reinforces and extends learning. The amount of time a student needs to complete homework varies from day-to-day and from student-to-student. Teachers attempt to gear assignments so that only a reasonable amount of time will be required, considering the subject matter and individual student needs and abilities.

Jubilee Christian School urges that each student plan his/her out-of-school activities wisely so that adequate time is provided for homework. Wise planning of time will allow for completed homework assignments as well as for the development of personal responsibility. *No homework is to be assigned during, nor is an assignment to be due immediately upon return from the following holidays: Thanksgiving, Christmas, New Years, Martin Luther King Day, President's Day, and Easter Break. This does not include monthly unit projects.*

To help students budget their time, one should expect the following daily homework requirements (this includes time spent reading):

Grades K-2 30 minutes or less

Grades 3-6 One hour or less

***Parent participation in aiding and accountability is crucial to the educational process of each child no matter what age.*** If the homework load seems excessive for your child, please take the following steps:

1. Make sure there is a designated time and place for homework to be completed each night.
2. Maintain a log of how much time is being spent on each subject/project for an entire week.
3. Check your child's teachers web page for weekly communications and unit letters. Also check the Google Classroom for valuable information.
4. Contact the classroom teacher to discuss the issue further.

### **Honor Roll**

Each quarter, students in grades 4-5 may receive recognition for their academic achievements.

Principal's Honor Roll 4.0 or above

High Honor Roll 3.75

Honor Roll 3.5

### **Late Work**

Our goal at JCS, is to help students understand that deadlines and due dates are a part of day-to-day living and can be reflective of work ethic and character. The following policy applies to students' daily work and major assignments:

#### **Grades K – 3**

There will be no deduction for late work. However, repeated occurrences may result in disciplinary action at teacher's discretion. Students in 3rd grade will begin receiving deductions for late work in the 4<sup>th</sup> quarter of Third Grade as they prepare for

the transition to 4th grade.

### **Grades 4 – 5**

All work is expected to be completed and turned in on the assignment due date. If an assignment/project is submitted one day late without an excused absence, the assignment will receive an automatic deduction of one letter grade (prior to grading of the assignment). The deduction in letter grade will compound until the assignment is turned in, or the student is unable to receive credit for the late assignment.

### **Unplanned Absences**

In the case of an unplanned absence, students are allowed the same number of days as the length of the absence in which to make up quizzes, tests, homework, and major assignments without penalty. It is the student's responsibility to schedule time to make up missed assignments. Should they fail to schedule time to make up missed work, students will receive a deduction on their assignment(s) according to the guidelines above.

## **Accommodation Plans**

Considering Jubilee's unique integrated thematic hands-on curriculum, many if not all learning styles are accommodated naturally. The curriculum, along with the highly experienced and trained personnel, small class sizes and extensive special schedule allow us to individualize and differentiate instruction. Because of that, although JCS is a non- public school and is not required to follow federal IEPs and 504 Plans or similar plans from other schools, students may be accepted at JCS who would (or have) qualified for such a plan. JCS will in some cases provide an Accommodation Plan (AP) with input from the parents and Instructional Support Team (IST) which includes, teachers, administration and support personnel.

## **Promotion and Retention**

A student shall be promoted when they have successfully completed the curriculum requirements and have achieved the academic standards established for the present grade level, based on the professional judgment of the teachers and principal, as well as the results of assessments and classroom observations.

The recommendation of the classroom teacher shall be required for promotion or retention of a student.

In all cases of retention, the parents/guardians shall be fully involved and informed throughout the process. Parents/guardians and students (when appropriate) shall be informed of the possibility of retention of a student well in advance. Every effort shall be made to remediate a student's difficulties before they are retained.

The Instructional Support Team (IST) (consisting of the Principal, the classroom teacher, the Director of Education and assigned educational support personnel) shall have the final responsibility for determining the promotion or retention of each student.

Parents/Guardians may appeal the decision of the IST in writing to the school board, at which time the school board would make the final decision on the promotion or retention of the student.

Academic retention may occur only once in grades K-3, except in cases where both the parent/guardian and IST or child study team agree the student may be retained a second time.

### **Promotion Requirements (1<sup>st</sup>-6<sup>th</sup> Grade)**

- A student who fails Math and English or a total of 3 subjects will not be promoted to the next grade.
- A student who fails Math and English will be retained unless he/she passes Math or English in an approved summer school or tutoring program.
- A student who fails one or two subjects that are neither Math nor English will be advised to attend summer school or an approved tutoring program, although such will not be required for promotion.
- A student who has missed 20 or more school days for the entire year will be considered for retention. This does not include students who have extended absences due to a documented medical illness or family emergency.

Should the IST determine a kindergarten student needs to be retained due to academic or social developmental concerns, the parents/guardians will be made aware of the possibility of the retention as soon as possible. The same process of appeals is applicable for kindergarten students.

*School Code - 24 P.S. Sec. 1531, 1532, 1611, 1613 State Board of Education Regulations - 22 PA Code Sec. 4.12, 4.13, 4.22*

### **Test Days**

The Principal will work with teachers to coordinate that no more than two (2) tests are given in one school day.

# Admissions

## Requirements

New Kindergarten students must submit a birth certificate and are accepted based on a readiness screening and conference with the principal.

Transferring students must submit a birth certificate and records from their current (or most recent) school. After those records are received, the child will be accepted based on an entrance screening.

## Health Record

All students must have an immunization history on file with Jubilee Christian School. Current regulations require that children entering school for the first time have had the following immunizations:

- Four doses of tetanus, diphtheria, and acellular pertussis (usually given as DTP, DTaP, or DT) with one dose given on or after the fourth birthday.
  
- Four doses of polio vaccine.
- Two doses of measles vaccine (usually given as MMR) with first one given on or after the first birthday.
- Two doses of measles, mumps, and rubella vaccine (usually given as MMR)
- Three doses of Hepatitis B vaccine properly spaced.
- Two doses of varicella (chicken pox) vaccine.

The following must be completed after May 15<sup>th</sup>:

Grade K or 1 - Varicella (chicken pox) vaccination or history of disease
Grade 1 - Physical examination, dental examination, tuberculin test
Grade 3 - Dental Examination

**Note:** For students presently enrolled in school, all of the above apply except for the following: no Hepatitis B vaccines are required; only three doses (instead of four) of diphtheria/tetanus vaccine are required.

***All new students from outside of PA (or from within PA but with inadequate health records) must submit a physical examination report.***

The American Academy of Pediatrics and the U. S. Public Health Service recommend that these students receive a booster shot for diphtheria-tetanus, a second measles, mumps, and rubella (MMR) dose, and a Hepatitis B vaccine. Please consult your physician for an immunization update.

## Tuition and Fees

**Payment procedures** – Tuition payments are due on the 1<sup>st</sup> of each month. A late fee of \$25 will be assessed for payments received after the due date. Checks made payable to Jubilee Christian School can be mailed to the school address or sent into school with your child in a sealed envelope marked "Tuition". Please **DO NOT** send cash into school with your child.

**Late payment policy and fees** – A late fee of \$25 will be assessed and a late notice will be emailed if 1) payment is not received in the Jubilee Christian School office or is not postmarked by the 1st of the month; 2) a partial payment—without prior arrangement through the Finance Committee—is received; 3) a check submitted for payment is returned for insufficient funds.

**Insufficient Funds** – A \$35 fee applies to checks returned for insufficient funds. After the second insufficient funds payment, all subsequent payments must be made by money order, cashier's check, or cash. All late payment conditions and fees still apply.

**Delinquent Tuition and Fees Balances** – If unusual circumstances prevent you from fulfilling your financial commitment, contact the Finance Committee in writing immediately to make alternate arrangements. If arrangements are not made and a student account falls two months in arrears, the student will be subject to dismissal. Progress reports, achievement test scores, and academic records will not be released to parents or other schools for students with delinquent tuition and fees balances. Registrations for the next year at Jubilee Christian School will not be accepted for students with delinquent balances.

**Tuition Reimbursement Policy** – Enrolling your child at JCS is a significant commitment that requires prayerful consideration. Therefore, withdrawals must be submitted in writing to the Finance Committee. If a registered student withdraws between August 1st and December 31st, tuition for the first half of the year is due in full and is non-refundable. If a

withdrawal is submitted on or after January 1st, tuition for the entire year is due in full. This policy is intended to help the board plan and manage school finances in a reasonable fashion. If this policy causes undue financial hardship, parents must arrange a meeting to discuss alternatives.

**Tuition Assistance** – Information and availability will be furnished upon request.

\*All questions not answered by this information should be submitted via email to Shannon Hohowski, business manager at [shohowski@jubileecs.org](mailto:shohowski@jubileecs.org).

## Attendance

According to Pennsylvania's Compulsory Attendance Laws, absence from school may be excused for the following:

1. Illness or Quarantine
2. Court Appearances
3. School-sanctioned absences
4. Impassable roads
5. Recognized religious holidays/services
6. Health-related appointments
7. Death in the immediate family
8. Pre-approved absences—form approved by principal
9. Exceptionally urgent reasons—approved by the principal

Parents must call the school office if their child will be absent. The student should present a signed excuse from a parent in order to be admitted to class on the day he returns to school. Parents will have 3 school days to turn in absence/tardy excuses. After 3 school days, it will be marked as unexcused. When a student has been absent for three or more consecutive days, a doctor's excuse may be required. Before returning to school following an illness, please wait for your child to be fever free for 24 hours WITHOUT fever reducing medication. A fever is considered 100.4 degrees or higher.

*\*\*\*Please refer to our COVID 19 plan for more information concerning the COVID19 virus plan.*

### Make-Up Work

A request to obtain makeup work for the day the child is absent must be made by the parent to the school secretary before 10:00AM in order for the work assignments to be ready for pick up by 3:45PM. Do not email the teachers, on the day your child is absent, to request makeup work, as teachers may not have the opportunity to check email between 8:00am and 3:15pm. For excused absences, students are allowed the same number of days as the length of the absence in which to make up quizzes, tests, homework, and major assignments without penalty.

## **Pre-Arranged Absences**

Any extended absence that can be anticipated must be provided for with the completion of a Pre-Arranged Absence form. The forms are located in the school office and for download on the school's website. The Pre-Arranged Absence form must be submitted 48 hours (minimum) prior to the absence, for approval by the Principal. Parents are encouraged to consider major academic dates (end of the quarter, unit assessments, and Terra Nova testing) when planning additional vacations during the school year.

The teacher will provide the assignments from the plans she has completed at the time of the student's departure. The rest of the assignments will be given to the student upon his/her return. With a pre-arranged absence, the student will make up the work missed either before departure or upon return from the trip within the time constraints of Jubilee Christian School's make-up policy; major assignments that are due during the absence must be turned in before the student leaves for the trip. Extra days given for make-up work will be at the discretion of the teacher depending on the assignment or project due. It is the responsibility of the student to receive a written plan from his/her teachers prior to the extended absence, stating what work must be completed and deadlines for the make-up work.

## **Tardy and Late Check-In Policy**

Punctuality is an important part of a successful school experience and is an expectation at JCS. Being late to class is disruptive and this practice is to be avoided. All tardies are recorded as part of the student's permanent record.

Students are considered tardy if they are not in their classroom by 8:45. When a student arrives at school after the designated time, they must report to the school office with a parent/guardian and obtain a pass before they report to their teacher. A tardy is considered "excused" for the following reasons: medical appointments, family emergencies, weather-related & construction delays, and illness.

Five or more tardies per quarter is considered excessive. **Five unexcused tardies will be equivalent to an absence** and will be recorded on the report card. Excessive tardies (5 or more) will be monitored by the Principal and will result in a letter informing the parents. A continued pattern of consistent tardies will be reported to the school board and will potentially result in disciplinary action.

\*\*\*\*Please note, unless under a specific plan, a student must be in school 4 hours to be counted present for the day\*\*\*\*

### **Our Accountability to the Pennsylvania Department of Education**

Jubilee Christian School is required by compulsory attendance laws to report to “the superintendent, attendance officer, home and school visitor, or secretary of the board of school directors of the district, cases when a child of compulsory school age has been absent three days, or their equivalent, without a lawful excuse.” (PS 24 PS 13-1332 and 1354). A “lawful excuse” includes **both** a phone call from the parent/guardian (as soon as they have determined the child will be absent) and a written excuse delivered by the student to the school, on the day of their return. The administration will, of course, make reasonable exceptions for extenuating circumstances. However, the school will not make exceptions at the expense of breaking the law or marring our testimony.

## Dress Code

*The dress code of JCS will reflect the school's identity as a private educational community, and provide a standard of dress, which will help students and families to balance expressions of individuality with the obligations of participating in a school community.*

### Shirts

- Collared polo, short or long sleeved

- Hats and sunglasses may not be worn inside the building unless students have been given permission to do so.

Students who choose not to follow the school dress code will receive a *Dress Code Violation* form that must be signed by a parent/guardian and returned the next day of school. Students who continually choose not to follow the school dress code will receive disciplinary action.

# Parent Information

## Parent Covenant

Believing that God has given parents the responsibility to nurture and educate their children, I/we covenant to:

- Actively participate in our children's education and provide an atmosphere in the home that promotes the developmental growth of the child.
- Volunteer four hours each month.
- Participate in fund raising activities as the board deems necessary.
- Comply with all state health regulations regarding immunizations and checkups. I/ we will provide our child(ren) with nutritious meals and promote proper hygiene in the home.
- Be supportive of the policies and procedures (including dress code) as defined and established by the board, principal, and teachers in the classroom. I/ we will be available for teacher/parent conferences.
- Be supportive of the policies and procedures defined by the teacher, the board, and the bus companies that transport our child(ren).
- Comply with and support the disciplinary measures established by the teacher and the board. I/we understand situations may arise requiring the consulting of parents and agree to be available for such consultations.

**Return the signed Parent Covenant, tuition agreement, along with the first month's tuition payment by July 1.** If these forms and the first tuition payment are not received by the tenth of July, the Board reserves the right to assign your child's enrollment spot to the next child on the waiting list at that grade level. Exceptions will be made on an individual basis for those awaiting approval for financial aid.

Parents of all students sign a copy of this covenant at the beginning of the school year.

## Building Usage

All requests for use of the Mt. Lebanon Evangelical Presbyterian Church (MLEPC) for JCS functions (meetings, events, workdays, and so on) must be made through the JCS Office Administrator.

## Criminal History Clearances

Background checks (Act 151 Child Abuse History, Act 134 State Police Criminal Record, and Act 114 FBI Finger Printing or a signed affidavit if the person has lived in PA for 10 + years) are required for all persons who chaperone field trips or volunteer regularly in the school building. All staff and board- designated volunteers must have background checks on file, and these need to be renewed every five years.

## Items that Cannot be Brought to School

Students cannot bring the following items to school:

- weapons (including knives and pocketknives)
- ammunition or explosives
- caps
- matches
- lighters
- laser pointers

## Electronic Items

- Electronic items (including iPod and cell phones) **MUST always be kept in a backpack during school hours.** Students who have their cell phones at during the school day (without permission) will have their phone taken and returned to them at the end of the school day. Students who repeatedly have their cell phone out may possibly lose the privilege to have their cell phone at school.
- Students must get permission from their teacher prior to bringing any electronic device in class (for projects, etc.). Students who have permission to bring their own electronic device are not logged into the JCS network and are not protected by our school's firewall. Jubilee Christian School is **not** liable for any inappropriate images, downloads, viruses, or other malware that may infect the electronic device. **It is the preference of Jubilee Christian School administration for students to use available school technological devices.**
- Lost or stolen items are the responsibility of the student. Questionable items will be assessed by the classroom teacher and principal. No trading of items is allowed (cards, toys, etc.).

## Lunch

Lunch will take place in the sharing room for all grades (K-6). Students are

required to bring their own lunch. All students are asked to bring their own lunch supplies (utensils and napkins). Students are expected to follow the rules posted in the lunchroom. If your child has an allergy that requires an Epi pen, they are required to sit at the nut free table. Other students with a nut free lunch will be asked to join them.

### **Recess (K-6<sup>th</sup>)**

Recess takes place in the gym or on the fenced in rooftop on most days, unless there is a conflict with the church. If recess moves, it takes place in the McDonald Room or the classrooms. Alternative activities will be provided.

### **School-Wide Communication**

To streamline communication, those desiring to send information to the entire school (email or through our social media accounts) must first have approval from the Principal or Director of Education.

The classroom teacher should approve grade-level announcements first. Information needing to go home in the Weekly Update (weekly email to families) should be emailed to the Office Administrator no later than the Tuesday the week it needs to be shared with school families. **If an item is to be sent home in the weekly folders, it must be first approved by the Principal and be prepared for distribution (in the office) by Wednesday of the week it is to be sent home.** The school will not make copies of approved information that does not directly relate to the school.

### **Snacks**

All students generally eat snacks at their desks during a brief break in the morning and/or in the afternoon. Please send snacks that are nutritious and easy to eat (e.g., yogurt, fruit pieces, cheese, crackers, raisins, cereal bars, etc.). Candy and sugary snacks are not permitted.

**ALL classrooms are designated as peanut-free and will not be permitted to have peanut snacks or treats.**

Students who participate in after school care MUST bring an additional snack to eat after school. Do not send additional drink boxes: children will drink water at snack time if necessary.

### **Student Records**

Students' cumulative records are kept in the school office. Records are released to other educational or medical institutions with written parental

permission. Should a parent/guardian decide to transfer their child to another school, the new school must make an official request to Jubilee for the records to be sent. School records will not be released to parents/guardians. Records will not be released if the family's financial account is not in good standing.

### **Visitors**

Parents are always welcomed to visit the school. To keep instructional momentum, however, we do ask that you schedule your visit in advance so that if you need to enter a classroom, or speak with the principal or teacher, there will be minimal disruption to the students.

**All visitors must sign the visitor log in the school office before proceeding to the classroom.**

## School Arrival & Dismissal

- School is in session from 8:45 a.m. until 3:15 p.m.
- Students should be dropped off at the Jubilee door no later than 8:40 a.m. **Students who do not take buses should be dropped off after 8:25 a.m.**
- If you drive your child home, please pick him up no later than 3:25 p.m.; enter the drive through area from Washington Road (Route 19), park and pick up at the KKNS door.
- If your child walks home, he is expected to observe pedestrian rules and regulations, which includes using sidewalks and not cutting through parking lots. Students who cross Washington Road must do so in front of St. Bernard's Church with the crossing guard. No students are allowed to walk through the drive through area.

### Bus Conduct

Good behavior on buses is critical and expected. Students should respect and listen to their bus drivers as they respect and listen to their teachers. Parents will be notified if the bus driver reports their child for inappropriate behavior. Three warnings may be grounds for disciplinary action or even expulsion from the bus, at the discretion of the bus driver and the school principal.

**If there is a change from normal transportation, parents must call the JCS office, email the students teacher notify the bus company BEFORE 2:00.**

Students will always be sent home on the bus unless a parent notifies us of other arrangements.

Students must cooperate as follows for everyone's safety.

- Only ride the bus to which they are assigned. Parents—not other bus drivers—are responsible for transporting children to playdates, birthday parties, and other activities. Parents should not request

that their bus drivers transport children who are not normally assigned to the bus.

- Be at the proper bus stop 10 minutes before the bus is scheduled to arrive and observe good safety practices while they wait.
- Board the bus in an orderly manner. Be seated promptly; keep all body parts and belongings inside bus windows. Use seat belts, if provided.
- Remain seated until the bus comes to a complete stop.

Refrain from making excessive noise or engaging in any actions that could endanger the safe operation of the bus; refrain from defacing or destroying any parts of the bus; refrain from eating or drinking on the bus.

## **Student Behavior School Honor Code**

Jubilee Christian School, like all institutions, is full of individuals who will from time to time make mistakes and need to be restored personally as well as corporately. While we understand that offenses will come, Jubilee has established an honor code from which classroom and school behavioral expectations emanate.

### **Serve Others**

“Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others.” – Philippians 2:3-4

### **Work Diligently**

“Whatever you do, work heartily, as for the Lord and not for men.” – Colossians 3:23

### **Obey Authority**

“Obey your leaders and submit to them, for they are keeping watch over your souls, as those who will have to give an account. Let them do this with joy and not with groaning, for that would be of no advantage to you.” – Hebrews 13:17

### **Love God**

“And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.” – Mark 12:30

### **Progressive Discipline Plan**

Each classroom and specials teachers will establish procedures and expectations that will provide an environment where all students can learn and grow. Parents will receive the classroom progressive discipline plan in the first teacher letter or correspondence. Lunch and recess will also have a progressive discipline plan. In cases of physical incidents, the Principal will be immediately informed, and a discipline form will be completed and sent to the parents or guardians for signature. When students do not respond to correction and all steps have been completed in the progressive discipline plan, the Principal will be brought in to partner with the teacher,

student, and family to work towards a change in the negative behavior(s). At all times, the focus will be upon (1) lovingly guiding the student towards what is expected of them and (2) ensuring the academic environment is safe and conducive to learning for all students.

For minor offenses, consequences may include, but are not limited to the following:

- Verbal or written apology
- Time out
- Loss of recess play time Public apology
- Detention
- Temporary removal from classroom

Should a student not respond to the above consequences, the student may face in-school and/or out of school suspension (based upon the offense), and then possibly be asked to leave Jubilee Christian School.

### **Suspension**

When student behavior results in a suspension, the Principal will contact a parent / guardian to schedule a conference. The student and at least one parent / guardian must be present at this conference. This meeting provides an opportunity to talk about past behavior and set improvement goals for future behavior. A written summary of the student's disciplinary record will be given to the parent / guardian.

### **In-School Suspension**

On the day of an In-School Suspension, the student will attend school, but will not attend classes. The student will be placed in a designated location, such as the principal's office, and will be supervised by a Faculty or Staff member. Teachers will send class assignments, quizzes, and tests to be completed by the student. Work completed during an In-School Suspension will be graded without penalty.

### **Out of School Suspension**

On the day of an Out of School Suspension, the student will not be allowed on school property nor to attend any extracurricular school

events. The student will complete missed assignments but will receive an automatic deduction of 10% for all work that is completed during the suspension. Quizzes and tests missed on the day of an Out of School Suspension can be made up when the student returns to class, but 10% will be deducted from the grade.

*Pennsylvania law prohibits the use of corporal punishment (physically punishing a student for misconduct at school). Teachers and other staff can use "reasonable force" to stop a fight, in self-defense, to get a weapon or some other dangerous object from a student, or to protect someone else (22 PA. Code 12.5).*

## School Closings & Delays

### **Alert System**

JCS subscribes to the SmartSend Pro. In the event of an emergency at JCS, information will be sent to parents via text, voice, and/or email. Parents are automatically enrolled in SmartSend through Gradelink. This system insures communication in the event of an emergency.

### **Inclement Weather**

Check JCS website first [www.jubileechristianschool.org](http://www.jubileechristianschool.org). Watch or listen to KDKA (1020), WTAE (1250) or WPXI for closing announcements. Closings & delays will also be posted on our school's social media accounts. If your local district announces a delay, follow their transportation regulations and schedule. If your area is particularly dangerous, due to snow or ice, and Jubilee has not announced a delay or cancellation, please use your best judgment in sending your children to school. The safety of our students is of the utmost importance.

## **Student Health**

### **Illness/Accident During School**

If a student becomes seriously ill or injured, or has a known difficulty related to a medical condition, 911 will be called immediately. Parents will be called after the call is made to 911. Paramedics will transport the student to the nearest hospital that can accommodate him/her. The principal or a staff person will accompany the student in the ambulance if a parent is not on site. Cost of transportation is the responsibility of the parent.

### **Medications**

If a student has a medical condition which may require a rescue/emergency medicine, a completed Authorization for Medication form dated after July 1, 2020 for the 2020-21 school year must be on file in the JCS office. Please contact the office administrator for details.

### **School Nurse**

The school nurse is at Jubilee Christian School on a regular basis to evaluate student health and maintain students' health records.
