

Jubilee Christian School

Imagine • Believe • Achieve

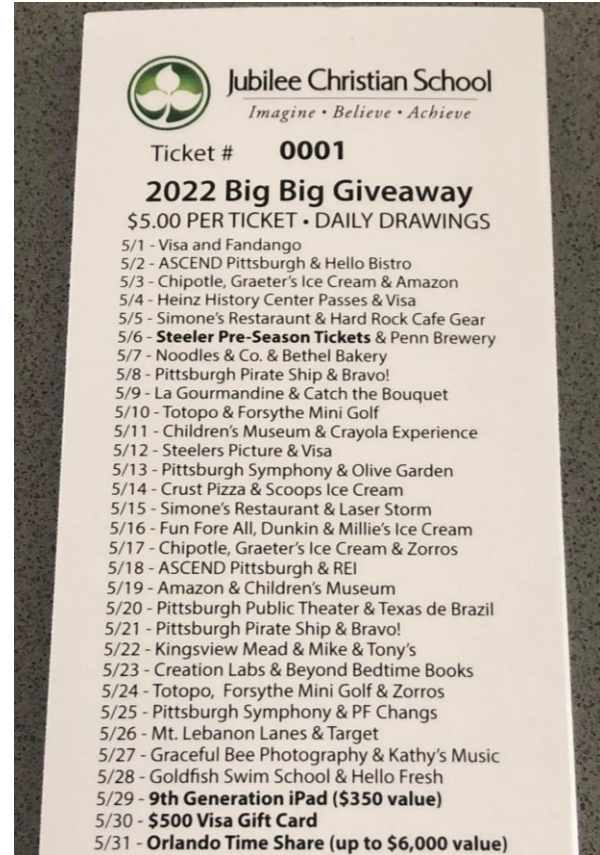

Dear Donor –

Since 1987, the mission of Jubilee Christian School has been to provide each student with an exemplary education and enduring values rooted in the Gospel of Jesus Christ. This first-rate education enables each student in grades Kindergarten through Seventh (expanding to Eighth, Fall 2023!) to achieve his or her full potential in mind, body, and spirit, while providing a great foundation upon which to build studies in higher education and successful careers. We are pleased to provide students with an integrated approach to learning that incorporates academic subjects into monthly unit themes through inquiry-based activities and projects.

This spring, Jubilee will conduct their **4th Annual Big, Big Giveaway** – one of the core fundraisers for the school. The funds raised will enable the school to continue with our integrated approach to learning and vast STEAM-based programs that we offer throughout the year.

Jubilee's Big, Big Giveaway **NEEDS** your support! We are collecting gift cards, experience vouchers, etc. from local businesses on a donation basis. A single raffle ticket will be composed and sold amongst our families and local communities – last year, we sold over 1000 tickets! The ticket runs for the entire month of May – which is over 30 chances to win! In addition, you can win more than once!
