What is it?

The Big Big Giveaway is usually our second largest fundraiser of the year! A sample ticket from two years ago is to the left. We will be selling the tickets for an affordable \$5/ticket, and the ticket goes off every day in the month of May!

Goals

Our goals for BBG 2023 is to have each days prizes to be worth no less than \$200, whether that is in gift card value or retail costs. We would like to try to have a few big items this year - the possibilities are truly endless! Starting in April, we will begin to sell tickets, and we hope to have several events planned for selling tickets in mass as well.

What you can do to help!

We need your help! We will only be able to reach our goal with the full support of the Jubilee Family!

Attached is a letter you can give out to friends, neighbors, and local businesses. We need to start now as all prizes will need to be gathered by the end of March.

If you have any questions or wish to learn more email Kristin DuBois:
